

My Portfolio

Muqarrab Hussain

WordPress Developer | WooCommerce Specialist

4+ Years Experience • Custom Themes • High-Performance Websites

Introduction

I am a professional WordPress Developer with over 4 years of experience in building responsive, user-friendly, and high-performance websites. I specialize in custom theme development, plugin customization, and WooCommerce solutions tailored to business needs. I focus on creating clean, scalable, and SEO-friendly websites that deliver excellent user experience and measurable results.

About Me

I work with clients globally to design, develop, and optimize WordPress websites across multiple industries including eCommerce, real estate, fashion, and corporate businesses.

About Portfolio

This portfolio highlights selected WordPress and WooCommerce projects showcasing my technical expertise, design approach, and business-focused solutions.
